SALMON BOWL

One of our most celebrated creations is the Salmon Bowl. Picture this: a bed of fluffy white rice cradling the freshest Atlantic Salmon you've ever tasted. But that's just the beginning. We take it up a notch by adding succulent shrimp and tender broccoli to the mix, creating a symphony of textures and flavors. And the pièce de résistance? Our homemade garlic butter sauce drizzled generously over the ensemble, infusing each bite with a burst of savory goodness. But we're not stopping there—our final touch is a dollop of sweet chili that adds a delightful kick, creating a harmonious balance that keeps our customers coming back for more.
